XV SCIENTIFIC MEETING OF THE SPANISH ASTRONOMICAL SOCIETY

LA LAGUNA, 5 - 9 SEPTEMBER 2022  
\*\*\*\*\*

Dear colleagues,

On behalf of the Scientific and Local Organizing Committees of the XV Scientific Meeting of the Spanish Astronomical Society, we would like to give updated information of interest.

## 1. REGISTRATION, APPLICATION FOR ACCOMMODATION GRANTS, AND APPLICATION FOR CONTRIBUTIONS

Two important dates to have in mind:

- March 2 (TODAY!): Opening of registration, applications for accommodation grants (junior members), and application for contributions.
- April 15: Deadline for application for contributions, and accommodation grants.

We remind you that the registration can be carried out until the week before the Meeting. Late registrations will have a surcharge.

As is tradition, junior members who register **before July 15** will pay no registration fee, and all junior members are invited to the conference dinner.

Relevant information regarding the meeting can be found on our webpage:

<https://www.sea-astronomia.es/reunion-cientifica-2020>

In addition, from the SEA website you have a link to the meeting website, with relevant information regarding registration and grant applications, which we copied directly for you:

<http://research.iac.es/congreso/SEA2022/pages/es/presentacion.php>

You will also find there additional information on logistic aspects of the meeting.

## 2. GROUP MEETINGS

As it has happened in the past Scientific Meetings we will accommodate group meetings in the calendar. We have already received some proposals. Those of you interested in organizing one of these meetings, please contact us **before July 15th**, indicating the topic, number of people expected to attend, and estimated duration.

Best wishes,

Minia Manteiga ([minia.manteiga@udc.es](mailto:minia.manteiga@udc.es)) on behalf of the SOC

Maria Jesús Martínez González ([m.j.martinez@iac.es](mailto:m.j.martinez@iac.es)) on behalf of the LOC.
